

CITY OF BENNINGTON PUBLIC LIBRARY COMMUNITY CONFERENCE ROOM USE POLICIES

The City of Bennington Public Library welcomes the public use of its meeting facilities in keeping with the Library's vision of creating opportunities to engage, connect and discover. Meeting rooms are primarily for use by the library to present library-sponsored events. When not in use by the library meeting rooms are available for use by the community. Library/City needs may preempt any other scheduled event.

The intent of this policy is to establish guidelines and procedures for the use of the Bennington Community Conference Center meeting rooms. The responsibility for implementing this policy and for scheduling meeting rooms rests with the City Clerk and Library Director. The City Clerk and the Library Director retain final authority for approving requests to use the meeting rooms. Questions, which are not covered in this policy, should be addressed to the City Office 402-238-2375 or the Library 402-238-2201.

Use of the Library's meeting rooms does not constitute Library/City endorsement of viewpoints expressed by participants. Advertisements or announcements implying such endorsements are prohibited.

Utilization of meeting rooms must be in full compliance with all local, state and federal laws.
